The LGA is an Allied Golf Association (AGA) of the **United States Golf Association**.

COURSE AND SLOPE RATING

The LGA provides: **World Handicap System** approved course and **slope rating services** to all Louisiana golf courses.

These course and slope rating services are provided free to LGA Member Clubs.

The LGA is the only organization in Louisiana licensed by the USGA to provide these services.

GOLF ADMINISTRATION

The LGA provides administration of **18 LGA Championships, 24 LGA/USGA qualifiers, and 10 Louisiana Junior Golf Tour events**.

This LGA's original service, is still an extremely important one which the organization continually strives to upgrade in order to enhance the competitive experience for players.

WORLD HANDICAP SYSTEM

The LGA provides oversight and administration of the World Handicap System in Louisiana. Again, just as with course and slope rating services, the LGA is the only association authorized by the USGA to provide handicapping services to clubs in Louisiana.

RULES OF GOLF

The LGA upholds the integrity of the Rules of Golf and the Rules of Amateur Status. The LGA helps answers questions about whether some activity might violate the rules of amateur status and provides interpretations of rules for its members and any golfer that inquires.

The Louisiana Golf Association provides online and electronic opportunities which enable our sponsors to market their message to the most engaged golf audience.
